FOOD SERVICES LLC

**JURY TRIAL REQUESTED**

-----X

**COMPLAINT**

Plaintiff Kelly Irish (hereafter referred to as "Plaintiff"), by counsel, Parker Hanski LLC, as and for the Complaint in this action against Defendants 300 West 114th Owner, LLC and Ablem Food Services LLC (together referred to as "Defendants"), hereby alleges as follows:

**NATURE OF THE CLAIMS**

1. This lawsuit opposes pervasive, ongoing, and inexcusable disability discrimination by the Defendants. In this action, Plaintiff seeks declaratory, injunctive, and equitable relief, as well as monetary damages, nominal damages, and attorney's fees, costs, and expenses to redress Defendants' unlawful disability discrimination against Plaintiff, in violation of Title III of the Americans with Disabilities Act ("ADA") 42 U.S.C. §§ 12181 *et. seq.* and its implementing regulations; Section 504 of the Rehabilitation Act ("Section 504") 29 U.S.C. § 794, *et. seq.*; the New York State Human Rights Law ("NYSHRL"), Article 15 of the New York State Executive Law ("Executive Law"); the New York State Civil Rights Law, § 40 *et. seq.*; and the New York City Human Rights Law ("NYCHRL"), Title 8 of the Administrative Code of the City of New

York (“Administrative Code”). As explained more fully below, Defendants own, lease, lease to, operate, and control a place of public accommodation that violates the above-mentioned laws. Plaintiff also alleges a claim for Negligence and seeks damages for bodily injury proximately caused by the Defendants’ Negligence. Defendants are vicariously liable for the acts and omissions of their employees and agents for the conduct alleged herein.

2. These Defendants made a financial decision to ignore the explicit legal requirements for making their place of public accommodation accessible to persons with disabilities – all in the hopes that they would never be caught. In so doing, Defendants made a calculated, but unlawful, decision that disabled customers are not worthy. The day has come for Defendants to accept responsibility. This action seeks to right that wrong via recompensing Plaintiff and making Defendants’ place of public accommodation fully accessible so that Plaintiff can finally enjoy the full and equal opportunity that Defendants provide to non-disabled customers.

### **JURISDICTION AND VENUE**

This Court has jurisdiction over this matter pursuant to 42 U.S.C. § 12188, 29 U.S.C. § 794, and 28 U.S.C. §§ 1331 and 1343 as this action involves federal questions regarding the deprivation of Plaintiff’s rights under the ADA and Section 504 of the Rehabilitation Act. The Court has supplemental jurisdiction over Plaintiff’s related claims arising under the New York State and City laws pursuant to 28 U.S.C. § 1367(a).

4. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b) because Defendants’ acts of discrimination alleged herein occurred in this district and

Defendants' place of public accommodation that is the subject of this action is located in this district.

**FIRST CAUSE OF ACTION**  
**(VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT)**

38. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

39. Plaintiff is substantially limited in the life activity of both walking and body motion range and thus has a disability within the meaning of the ADA. As a direct and proximate result of Plaintiff’s disability, Plaintiff uses a wheelchair for mobility, and also has restricted use of arms and hands.

40. The ADA imposes joint and several liability on both the property owner and lessee of a public accommodation. 28 C.F.R. 36.201(b).

41. Under the ADA, both the property owner and lessee are liable to the Plaintiff, and neither can escape liability by transferring their obligations to the other by contract (i.e., lease agreement). 28 C.F.R. 36.201(b).

42. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff full and equal opportunity to use their place of public accommodation all because Plaintiff is disabled. Defendants’ policies and practices have and continue to subject Plaintiff to disparate treatment and disparate impact.

43. By failing to comply with the law in effect for decades, Defendants have articulated to disabled persons such as the Plaintiff that they are not welcome, objectionable, and not desired as patrons of their public accommodation.

44. Defendants have discriminated against the Plaintiff by designing and/or constructing a building, facility and place of public accommodation that is not readily accessible to and usable by the disabled Plaintiff and not fully compliant with the 1991 Standards or the 2010 Standards. See 28 C.F.R. § 36.401(A)(1) and 42 U.S.C. §12183(a)(1).

45. The Melba's premises are not fully accessible and fail to provide an integrated and equal setting for the disabled, in violation of 42 U.S.C. §12182(b)(1)(A) and 28 C.F.R. § 36.203.

46. Defendants failed to make alteration accessible to the maximum extent feasible in violation of 28 C.F.R. §§ 36.402 and 36.406 and 42 U.S.C. §12183(a)(2).

47. The paths of travel to the altered primary function areas accessible were not made accessible in violation of 28 C.F.R. § 36.403.

48. Defendants failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of 28 C.F.R. § 36.304. It would be readily achievable to make Defendants' place of public accommodation fully accessible.

49. By failing to remove the barriers to access where it is readily achievable to do so, Defendants have discriminated against Plaintiff on the basis of disability in violation of § 302(a) and 302(b)(2)(A)(iv) of the ADA, 42 U.S.C. § 12182(a), (b)(2)(A)(iv), and 28 C.F.R. § 36.304.

50. In the alternative, Defendants have violated the ADA by failing to provide Plaintiff with reasonable alternatives to barrier removal as required by 28 C.F.R. § 36.305.

51. Defendants' failure to remove the barriers to access constitutes a pattern and practice of disability discrimination in violation of 42 U.S.C. § 12181 *et. seq.*, and 28 C.F.R § 36.101 *et. seq.*

52. Defendants have and continue to discriminate against Plaintiff in violation of the ADA by maintaining and/or creating an inaccessible public accommodation.

**SECOND CAUSE OF ACTION**  
**(VIOLATIONS OF THE SECTION 504 OF THE REHABILITATION ACT)**

53. Plaintiff realleges and incorporates by reference all allegations set in this Complaint as if fully set forth herein.

54. Plaintiff is an individual with a disability as defined by the Rehabilitation Act, 29 U.S.C. § 705(20).

55. Section 504 of the Rehabilitation Act of 1973 (hereinafter also referred to as "Section 504"), 29 U.S.C. § 794, and the regulations promulgated thereunder, prohibit discrimination against people with disabilities by recipients of federal funding. Section 504 provides, in pertinent part, that:

No otherwise qualified individual with a disability . . . shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance . . .

56. Defendants have received federal financial assistance at all relevant times including, but not limited to, the PPP loan(s).

57. Through the acts and omissions alleged herein, Defendants have, solely because of Plaintiff's disabilities, excluded Plaintiff from participation in Defendants' programs and activities and denied Plaintiff the benefits of Defendants' programs and

activities, and subjected Plaintiff to discrimination in violation of 29 U.S.C. § 794, *et seq.* and the regulations promulgated thereunder.

58. “Any person aggrieved by any act or failure to act by any recipient of Federal Assistance . . . under section 794” is entitled to the “remedies, procedures, and rights” not only in “title VI of the Civil Rights Act of 1964,” but also in “subsection (e)(3) of section 706 of such Act (42 U.S.C. 2000e–5).” 29 U.S.C. § 794a(a)(2) (emphasis added).

59. 42 U.S.C. § 2000e-5(e)(3), in turn, authorizes certain relief “[i]n addition to any relief authorized by section 1981a,” and 42 U.S.C. § 1981a(b)(3) expressly permits compensatory damages for “emotional pain” and “mental anguish.”

60. Plaintiff is also entitled to other forms of compensatory damages beyond emotional-distress damages because Defendants are subject to remedies traditionally available in suits for breach of contract.

61. Accordingly, Plaintiff had an expectation interest in receiving equal enjoyment and opportunity of the Defendants’ public accommodation as nondisabled patrons.

62. Defendants denied Plaintiff these expectation interests. Accordingly, Plaintiff should be entitled to compensatory damages under expectation interest.

63. Plaintiff has also suffered stigmatic injury and dignitary harm as a result of Defendants’ discriminatory conduct.

64. Plaintiff had an expectation interest of a discrimination free interaction with the Defendants at the Melba's premises. But Defendants discrimination breached

Plaintiff's expectation thereby causing Plaintiff to suffer damages based on impairment to expectation interest.

65. Defendants' acts and omissions described herein violate the equal access and nondiscrimination provisions of Section 504 and the regulations promulgated thereunder and have resulted in injury to Plaintiff.

66. Defendants have and continue to commit discrimination during the time when the PPP is or was outstanding.

67. Defendants acted with deliberate indifference to Plaintiff's rights guaranteed under Section 504.

68. Defendants have had actual knowledge of the discrimination due to, among other things, the open and obvious nature of the discriminatory condition and deliberately decided not to address the discrimination and institute corrective measures.

69. As a proximate result of Defendants' violations of Section 504, Plaintiff has been injured and continues to be injured, as set forth herein in an amount to be determined at trial.

**THIRD CAUSE OF ACTION**  
**(VIOLATIONS OF THE NEW YORK STATE HUMAN RIGHTS LAW)**

70. Plaintiff realleges and incorporates by reference all allegations set forth in this Complaint as if fully set forth herein.

71. Plaintiff has from various medical conditions that separately and together prevent the exercise of normal bodily functions in Plaintiff; in particular, the life activities of both walking and body motion range. Plaintiff therefore has from a disability within the meaning of the Executive Law § 296(21).

72. In 2019, the New York State legislature enacted legislation that provides effective immediately that the New York State Human Rights Law shall be “construed liberally for the accomplishment of the remedial purposes thereof, regardless of whether federal civil rights laws, including those laws with provisions worded comparably to the provisions of this article, have been so construed”. See Executive Law § 300 [effective date: August 12, 2019].

73. By amending the Executive Law § 300 to mirror the text of the New York City Local Civil Rights Restoration Act of 2005 (Local Law 85 of 2005), the New York State legislature confirmed the legislative intent to abolish parallel construction between the New York State Human Rights Law and related Federal anti-discrimination laws.

74. Defendants have and continue to subject Plaintiff to disparate treatment by denying Plaintiff equal opportunity to use their place of public accommodation all because Plaintiff is disabled.

75. Defendants discriminated against Plaintiff in violation of NYSHRL (Executive Law § 296(2)), by maintaining and/or creating an inaccessible place of public accommodation. Each of the Defendants have aided and abetted others in committing disability discrimination.

76. Defendants have failed to make all readily achievable accommodations and modifications to remove barriers to access in violation of NYSHRL (Executive Law § 296(2)(c)(iii)).
